-----X

WHEREAS, at a hearing in this matter on July 5, 2007 before
Magistrate Judge Frank Maas, it was apparent to the Government
and defense counsel that the defendant is suffering serious
health problems, and medical attention was ordered by the Court;
and

WHEREAS, the Government is preparing discovery and the
parties have been in discussions as to the disposition of this
matter,

THE PARTIES HEREBY STIPULATE AND AGREE as follows:

1. The defendant's arraignment and the initial pretrial conference is continued until July 20, 2007, at 3:00 p.m.
2. The ends of justice served by granting a continuance outweigh the best interests of the public and the defendant in a speedy trial, because it will permit time for the defendant's health to stabilize, it will permit the Government to prepare discovery material, and it will permit BARBARA HAMILTON and her counsel, Harvey Fishbein, Esq., to review the discovery material and determine whether BARBARA HAMILTON wishes to make motions.

3. The time between July 5, 2007, and July 20, 2007 is excluded under the Speedy Trial Act, 18 U.S.C. § 3161(h)(8)(A), in the interests of justice.
